

Description:

The Central Library of the University of the Aegean invites you to the presentation / introduction to the new software platform WebCT VISTA, purchased under the O.P. "Education" II, "Upgrading the University of the Aegean Library", for the implementation of the digital service e-reserves. The aim of this new service developed by the library is to offer educators of University of the Aegean, an online platform where they can enter their educational material, to create new material and to distribute it to their students. The presentation will take place Thursday, February 12, at 6pm., at University Hill, Marine Science Building, Auditorium F (first floor)
