
Description:

SAGE Publications at HEAL-Link Conference, October 1-3, Stand 19

SAGE Publications is a leading independent international publisher of more than 480 journals in the sectors of Humanities, Social Science and Science, Technology and Medicine.

In 2006, the HEAL-Link Consortium signed a 3-year deal with SAGE Publications allowing every institution access to our collection of 388 HSS and STM journals. Please [click here](#) to discover what content you are currently accessing.

New in 2007

SAGE eReference

SAGE eReference gives online access to our full collection of award-winning, authoritative reference works. The product includes:

- Perpetual access for unlimited users
- No hosting fee for the first five years
- Single title purchase or as a complete package
- Counter compliant statistics as well as Marc records – for the complete list of titles.

As a special offer until 31st December 2007, the original SAGE eReference collection of 47 titles will be available for a one-off purchase by Greek institutions for £5,000. The aggregate value of all 47 eReference titles is approximately £8,000. In 2007, 15 new titles were added to the collection and in 2008 we are launching a further 19.

SAGE Deep Backfile

SAGE is also offering access to the entire Backfile, consisting of more than 350 titles in 2008, from Issue 1, Volume 1 until the last issue of 1998. Lease and purchase options are available.

Please contact me for further details or visit me at the HEAL-Link Conference at Stand No.19.

Yours sincerely,

Lorna Jones

Journal Sales Manager for Southern Europe
