ESQ: A JOURNAL OF THE AMERICAN RENAISSANCE DEBUTS IN PROJECT MUSE

***From Washington State University:

ESQ: A Journal of the American Renaissance

ESQ: A Journal of the American Renaissance is devoted to the study of nineteenth-century American literature. We invite submission of original articles grounded in a wide range of theoretical and critical perspectives, and we encourage inquiries proposing submissions and projects. A special feature is the publication of essays reviewing groups of related books on figures and topics in the field, thereby providing a forum for viewing recent scholarship in broad perspectives.
